

private venue rental

Easily accessible from BNA, the expansive property of Legacy Farms is entirely yours from check-in to check-out. With multiple gorgeous outdoor and indoor (and backup) options, we offer stress-free versatility for your big day.

dedicated planner

Your wedding planner will be with you from the beginning stages all the way through to being there on your wedding day to ensure that your entire vision comes to life.

wedding coordinator

Your coordinator is there for a seamless ceremony, making sure everyone gets down the aisle at the right time, in the right order and does the right thing.

rehearsal dinner

If you think this means you just rehearse and eat, you are far underestimating what this evening has in store! The night before the wedding is a blast to plan and is sure to be an event to remember. From live musicians to magicians, we have ideas for the ideal experience to dazzle your top 30* VIP guests. Our onsite chefs will create a special menu with our culinary team and our mixologist will keep everyone in good spirits with an open bar customized to your preferences, including curated cocktails and mocktails to honor the evening.

** If you would like to host more than 30 guests, we can work with you on additional pricing.*

bed & breakfast (& lunch!)

Up to 20 of your favorite people can spend the night in the Manor, the night before and the night of your event. Arrive to a welcome snack board and wake up to enjoy a gourmet breakfast each day before your festivities begin. A deli-style lunch will be provided on your wedding day for you and up to 20 guests.

catered dinner

Guests will indulge in two types of fresh passed appetizers for cocktail hour and your choice of a dual entrée buffet dinner, food action stations, or a plated meal on China dishware.

décor

Our extensive collection of staging items are at your disposal to create the most magical ceremony environment. Enhance your guest tables as well as create lounge areas, and photo op spots. Choose what best suits your style and make it yours!

flowers

Personal flowers such as bouquets, boutonnieres and corsages are included. Our design team can help you plan fresh flowers to enhance other areas.

Ask about upgraded flower options.

service

This is a no work - no worry wedding, folks! From set up to parking guests cars to clean up, we take care of it all in a seamlessly orderly fashion. Our professional waitstaff will ensure that your guests are treated with the 5-star service we are known for.

rentals

Don't worry about sourcing a third party and dealing with delivery fees, we have it all here! Choose from several options of rental tables, chairs, and linens. This package includes specialty tables such as cocktail tables as well as upgraded linen options.

dj

The dj will take care of amplifying your vows as well as ensure music for the cocktail hour, dinner, and dance party is on point.

photobooth

Your guests will have a blast snapping pics throughout the evening and taking a souvenir pic home with them. The happy couple even gets a scrapbook as a sweet memento.

wedding dessert

Our unparalleled pastry chef will present a creative display station of bite-size or individual sweet treats, along with a 6" cake to cut, for that obligatory photo op!
