

The Winter Special Package

A fully customized, guest-forward celebration at Legacy Farms, we think of *everything* and take care of *all* the details.

✓ Private Venue Rental

The entire property is yours for 10 hours on your celebration day.

- Multiple ceremony and reception locations, each with built-in backup plans, so you can choose the setting that fits your style.
- With 23 acres, parking is never an issue. Our team creates a parking plan tailored to your layout, so guests arrive and move easily around the property.

✓ Planning & Coordination

Our planning team is full-time and dedicated solely to Legacy Farms, so you're working with people who know the property inside and out.

- Every detail — layouts, menus, décor, flowers, timelines — is approved in advance, so nothing is left to chance.
- One planner is onsite on your wedding day, supported by a coordinator, so you always have experienced hands guiding the flow.

✓ Catering Experience

Everything on your menu is prepared fresh by our on-site culinary team in our full-service kitchen, where the magic really happens. Because we cook right here, your food is fresher, your options are wider, and your menu can truly reflect your taste.

Cocktail hour begins with two chef-curated passed appetizers, followed by an elevated buffet served on china dishware. Menus are flexible and personalized, so your meal feels just as thoughtful as the rest of your day.

✓ Wedding Dessert

Your guests will sample and savor a variety of flavors at the dessert display of decadent bite-sized treats. We also provide a 6-inch cake, perfectly sized for that timeless tradition and sweet cake-cutting moment.

✓ Bar Services

Your bar is open for 3.5 hours throughout the cocktail hour and reception, offering guests a thoughtful selection of beer, wine, and sodas. For those looking to personalize the experience, the bar may be enhanced with premium cocktails or upgraded beverages.

✓ Flowers, Décor & Furnishings

Bouquets, boutonnieres, and corsages are included, with a \$1,000 floral budget as your starting point. Tables, chairs, linens, and access to our in-house décor collection are part of the package, too.

These details come together during your planning session, when we talk through your colors, style, and the overall vibe you want to create. You'll have plenty of flexibility to make it feel like *you* — whether that's keeping it simple or adding extra touches. Your flower choices, the season, and the number of pieces will shape the final total.

✓ Stress-Free Service

From setup to cleanup, our team takes care of every detail. Simply enjoy the day with no work or stress.

✓ Music & Entertainment

Professional DJ, Sound & Emcee

- Two complete sound systems, so transitions from ceremony to reception are seamless.
- Ceremony amplification ensures all guests hear your vows.
- Serves as emcee for announcements and introductions.
- Backup equipment is always onsite.
